CERTIFICATION OF COMPLIANCE WITH AMERICAN RECOVERY AND REINVESTMENT ACT SECTION 1605

1. Identification of American-made Iron, Steel, and manufactured good: Consistent with the terms of OWNER'S bid solicitation and the provisions of ARRA Section 1605, the Bidder certifies that this Bid reflects the Bidder's best, good faith effort to identify domestic sources of iron., steel, and manufactured goods for every component contained in the bid solicitation where such American-made components are available on the schedule and consistent with the deadlines prescribed in or required by the bid solicitation
2. Verification of U.S. Production: Bidder certifies that all components contained in the bid solicitation that are American-made have been so identified, and if this bid is accepted, the bidder agrees that it will provide reasonable, sufficient, and timely verification to OWNER of the U.S. production of each component so identified.
3. Documentation regarding N-n-American-made Iron, Steel, and Manufactured Goods: The Bidder certifies that for any component or components that are not American-made and are so identified in this bid, the Bidder has included in or attached to the bid one of both of the following, as applicable.
 - a. Identification of and citation to a categorical waiver published by the U.S. Environmental Protection Agency in the Federal register that is applicable to such component or components, and an analysis that supports it applicability to the component or components
 - b. Verifiable documentation sufficient to OWNER, as required in the bid solicitation or otherwise, that the Bidder has sought to secure American-made components but has determined that such components are not available on the schedule and consistent with the deadlines prescribed in the bid application, with assurance adequate for the Bidder under the applicable conditions stated in the bid solicitation or otherwise.
4. Information and Detailed Justification regarding Non-American Iron, Steel or Manufactured Goods. The Bidder certifies that for any such component or components that are not so available, the Bidder has also provided in or attached to this bid information, included but not limited to the verifiable documentation and a full description of the Bidder's efforts to secure such American-made component or components, that the bidder believes are sufficient to provide and, as far as possible, constitute the detailed justification required for a waiver under Section 1605 with respect to such component or components. The Bidder further agrees that, if this bid is accepted, it will assist OWNER in amending, supplementing, or further supporting such information as required by OWNER to request and, as applicable, implement the terms of a waiver with respect to any such component or components.
